MISSION STATEMENT: We believe that every individual is deserving of hope and dignity. The Fistula Relief Foundation for Africa exists in order to make a tangible, sustained, and life changing difference in the lives of countless women in the developing world. The obstetric and traumatic fistula patients of sub-Saharan Africa need not live with this affliction any more. With the generous support of donors and volunteers, women will be able to heal in a respectful manner and live a dignified life without the stigma of this correctable condition. This project is ultimately about the reclamation of life.

Step 1: Enclosed is my tax-deductible donation to help women reclaim their dignity and life.
